The screenshot shows the MetaTrader 4 interface with the following components:

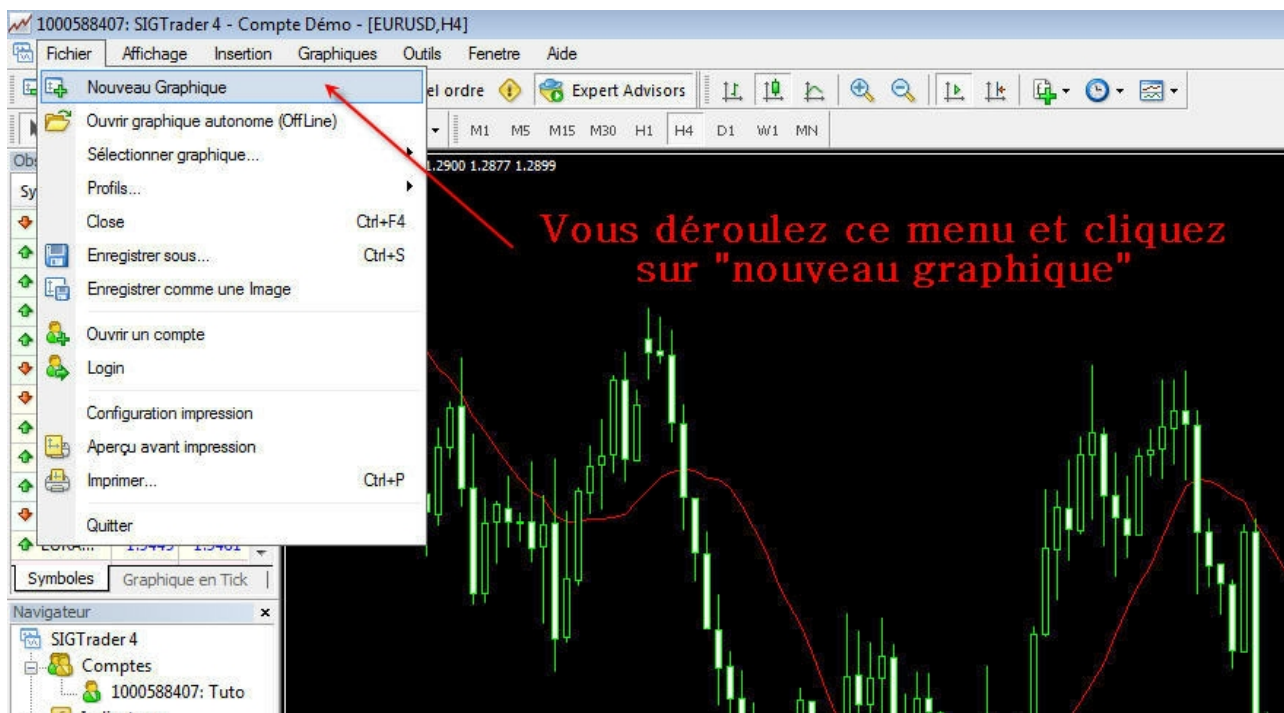

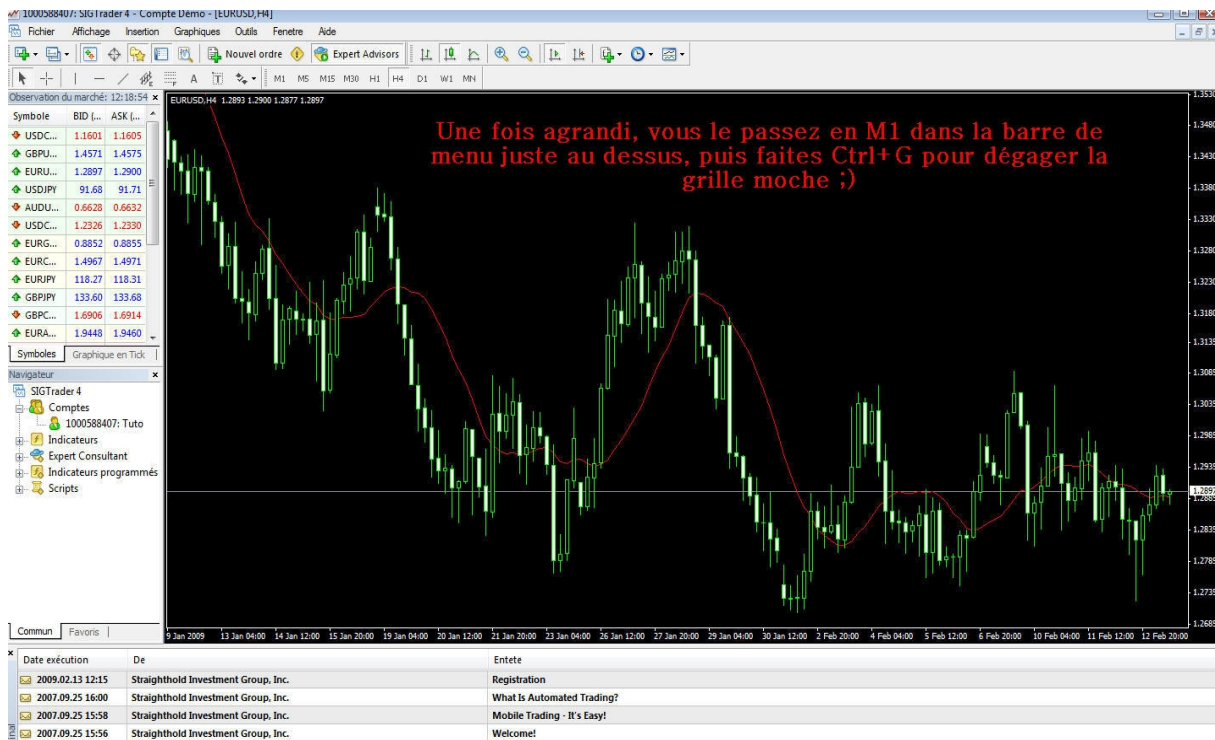

- Market Observation Window:** Lists various currency pairs with their current Bid and Ask prices.
- EURUSD_H4 Chart:** A candlestick chart for the EURUSD pair on a 4-hour timeframe, showing price movement from late January to early February 2009.
- GBPUSD_H4 Chart:** A candlestick chart for the GBPUSD pair on a 4-hour timeframe, showing price movement from late June to early July 2006.
- USDCCHF_H4 Chart:** A candlestick chart for the USDCCHF pair on a 4-hour timeframe, showing price movement from late January to early February 2009.
- USDJPY_H4 Chart:** A candlestick chart for the USDJPY pair on a 4-hour timeframe, showing price movement from late June to early July 2006.
- Terminal Window:** Displays a list of transactions with columns for Date execution, De (counterparty), and Entete (description).

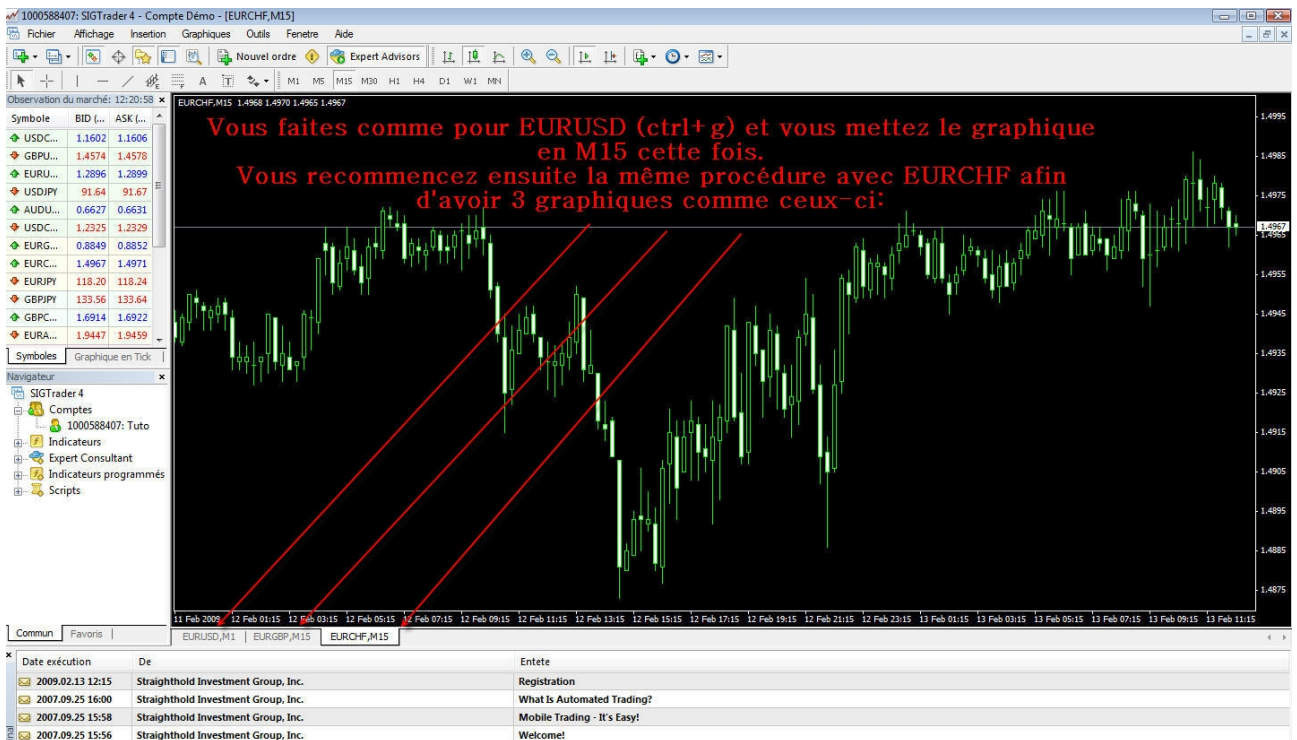

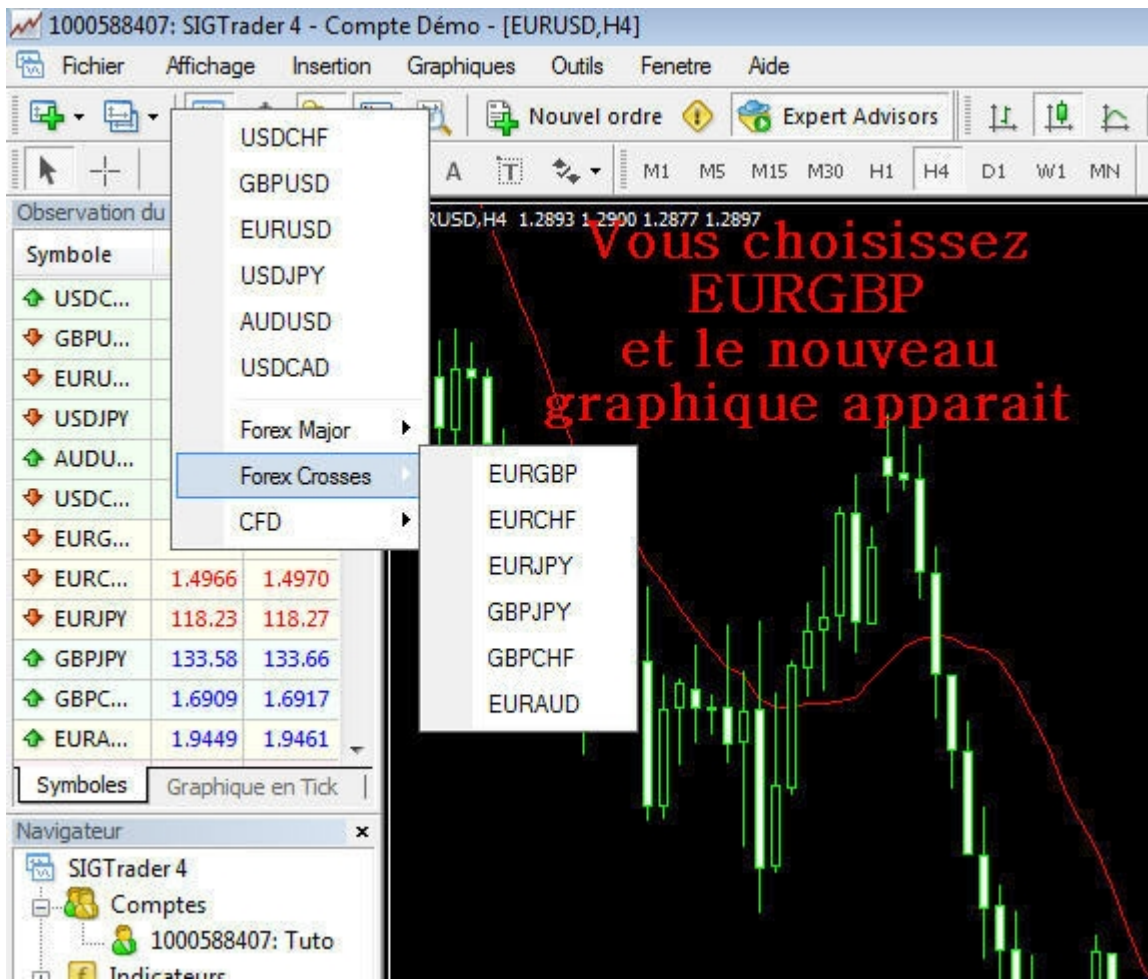

Date execution	De	Entete
2009.02.13 12:15	Straighthold Investment Group, Inc.	Registration
2007.09.25 16:00	Straighthold Investment Group, Inc.	What Is Automated Trading?
2007.09.25 15:58	Straighthold Investment Group, Inc.	Mobile Trading - It's Easy!
2007.09.25 15:56	Straighthold Investment Group, Inc.	Welcome!

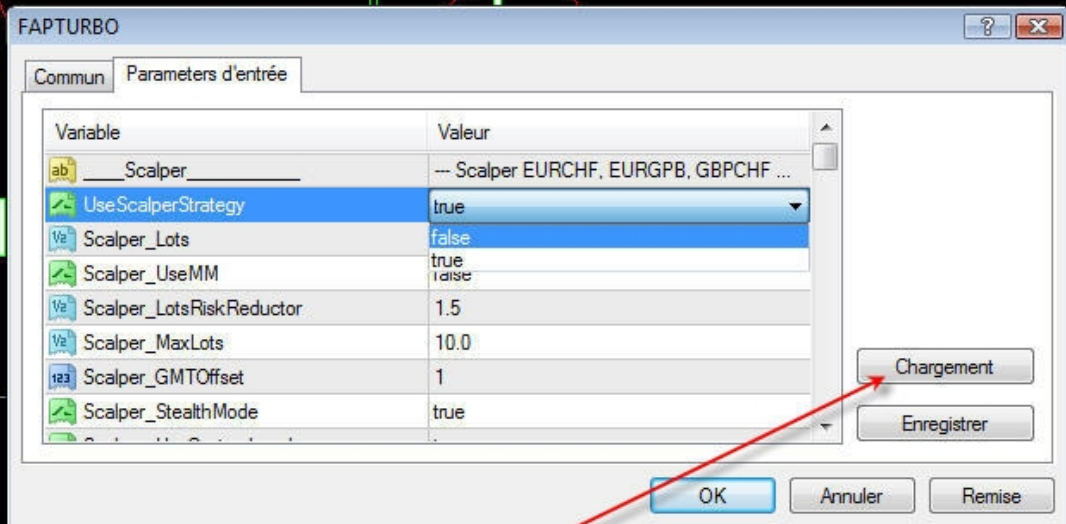

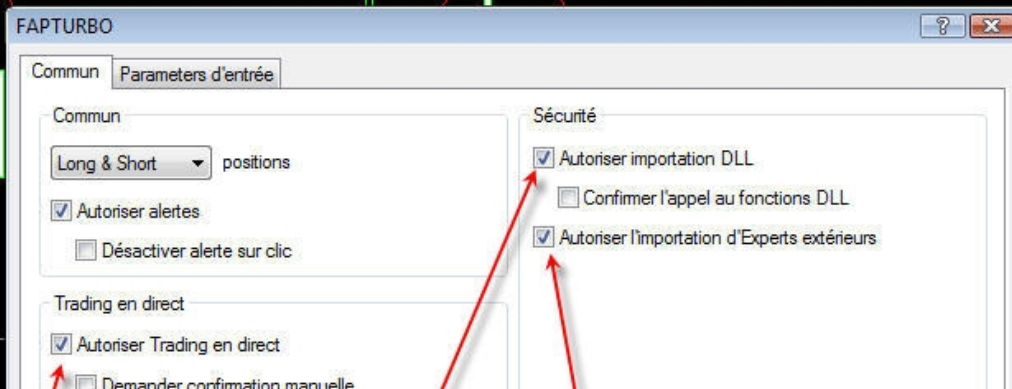

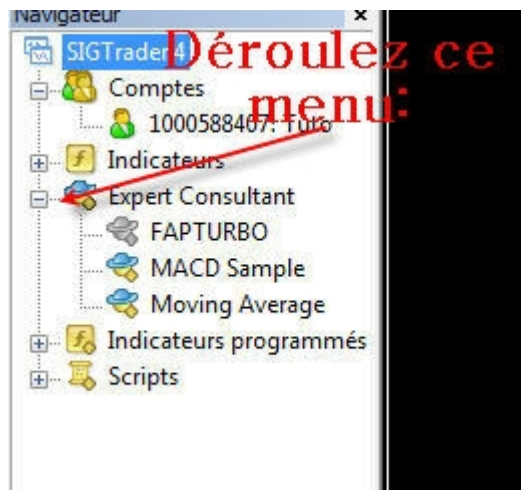

Bien maintenant vous fermez tous les graphiques sauf le EURUSD

The screenshot shows the MetaTrader 4 interface with the EURUSD_H4 chart highlighted in a darker shade, indicating it is the active chart. The other charts (GBPUSD_H4, USDCCHF_H4, USDJPY_H4) are dimmed. The terminal window at the bottom shows the same transaction list as the previous screenshot.
